

Nashville Family Coalition Meeting
Thursday, March 8, 2018
5:45-7:15pm

Do you have a young adult or adult son or daughter with I/DD? Are you looking for a provider to support him/her to learn new skills, participate in the community, volunteer, make new friends, and explore employment? If so, please join us for an informative presentation by Friend's Life Community!

Friend's Life is a private provider of day services. They are NOT Medicaid providers. However, Friend's Life is committed to supporting people of varying financial means – do not assume participating at Friend's Life is out of reach! Join us to learn more!

Other topics:

State legislative update – session is in full swing and there are many bills that impact people with I/DD and their families being considered!
