BENEFITING

The Arc Tennessee empowers people with intellectual and developmental disabilities and their families to actively participate in the community throughout their lifetime.

We support, connect and inform individuals and families, influence public policy, increase public awareness and inspire inclusive communities.

www.thearctn.org

The Technology Access Center offers services for Middle Tennesseans with disabilities and functional limitations.

We promote the independence of individuals of all ages with disabilities in school, work, play and everyday activities through the use of assistive technology.
